Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Monday 18 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain spreading northeast on Tuesday.

This Evening and Tonight:
The rain clearing into the Northern Isles this evening, become dry across much of the country with the best of the cloud breaks in the east and northeast. Mild.

Tuesday:
Any brightness in the northeast will soon fade with outbreaks of rain developing widely during the morning, the rain heavy at times. Breezy and mild or very mild.

Outlook for Wednesday to Friday:
Much brighter with a few showers on Wednesday, although rain over the Northern Isles. Turning colder on Thursday and Friday with showers.
